AND THE CLARK is Site of a great Movie for JULY
and FYI it's on many floors + Roof and it's

OUR FEATURED HOME THIS MONTH:

B160: Refurbished 20's BUNGALOW!

and use with OUR S160
(one company move / two homes!):

and:

BOTH OF THESE HOMES ARE ON SAME STREET with VERY WELL DONE DECOR!!

SEE THEM @

www.LOCATIONS2film.com

GO to: FEATURED HOME of the MONTH (see link on Home page my web site)

or go to RESIDENTIAL (these are fast moving drop downs!) to ANYWHERE USA to S160 and then B160 (they are also connected with a special button)

THOSE of YOU who have figured out my web site say 'it's really FAST and contains

great information!' For others who haven't tried it, we hope you will or who aren't used to "drop downs"... I liken it to walking down stairs! Find the main category (COMMERCIAL or RESIDENTIAL) and then 'walk over to TYPE and then over and down to the specific one you are looking for. ALSO on the Main page of each category there are single photos that you just need to click on!

OKAY for this LETTER'S FEATURED ARTICLE:

PLEASE DON'T SHOOT THE MESSENGER !!!

SWING SET IN BACK YARD:

When YOU say to me "We need to put a swing set in the back yard; we need shoot a couple - just talking late into the evening - and we want to set it up and take it down all in one day"

I HEAR: "Split day. Setting up swing set: fine - it will be day light. Removing it after 11 PM - not so good.

Metal will clang, Truck reverse beeper alarm will be heard, neighborhood dogs will bark like crazy and everyone in the neighborhood will be mad as hell at these Owners"

When YOU add: "And we only want to be charged for half a day"

I HEAR: " Tough if not impossible sell to Owners who don't really want to bother with filming unless its either something they can brag about ("George Clooney was in my house") or make \$\$\$!"

COMPROMISE/SOLUTION: Bringing in Swing Set on Morning of Shoot day; Pay for a Split Prep day time; Pay for Half shoot day (from 3PM-10PM) day into night - one scene -) Come back next day and use other half of prep time and pick up swing set. A package price which makes Owner Happier; Half a shoot day; 1 prep day split in two parts. NO angry neighbors...no beep, beep, beep at night!

WE love doing 'creative' solutions like this!

IF YOU SEE "A LOT OF CONSTRUCTION AT CSU DH don't panic!! It's just a redo of

Parking Lot 2
and since it's in front of the campus, it looks like MAJOR construction...not so!

HAPPY BIRTHDAY PRECIOUS AMERICA!!

"Always do right. This will gratify some people, and astonish the rest." --MARK TWAIN
